*Welcome to Andersen Dog Park  
A message from our Supervisor*

*It was once said that a dog is the only animal that loves you more than he loves himself. As the owner of two Golden Retrievers , I can attest to that statement. This is why we are so proud to welcome you and your canine companion(s) to our no-leash, fun, and friendly dog park. The park, located within Andersen Park, is a secure space that offers room for your dog(s) to run, play and socialize. Your four-legged friends are sure to have a great time and get some exercise.*

*Some of the park's features includes an obstacle agility course that can be used to exercise and train pets, a shared watering station for you and your dog(s) to enjoy, and benches for you to relax on while your dog(s) plays. Andersen Park also offers a beautiful trail system. We are proud of our newest park and excited to offer this great resource to you.*

*Again, welcome! We hope that you and your dog(s) enjoy this beautiful park.*

*Sincerely,  
Christopher A. Koetzle  
Supervisor, Town of Glenville*

*History of Andersen Park*

*Andersen Park is a 33 acre parcel that was donated to the Town of Glenville in 2007 by Mr. Mark Andersen in memory of his wife, Sandra K. Andersen. It was originally part of a large property owned by the Hadel family in the early 1900's. For many years, the field where the dog park is located was farmed by Keith Buhrmaster. The Town completed a master plan for the parcel in 2010, which included a dog park, a leaf compost farm and a trail system. The house and barn on Swaggertown Road are part of the property, with their ultimate use still to be determined.*
